- phd student @pwr
- visualization enthusiast @szychtawdanych.pl

Put the plot in motion

Half of population lives in municipalities in blue

Population < 18

Population > 65

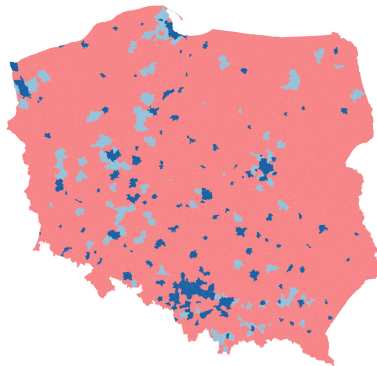

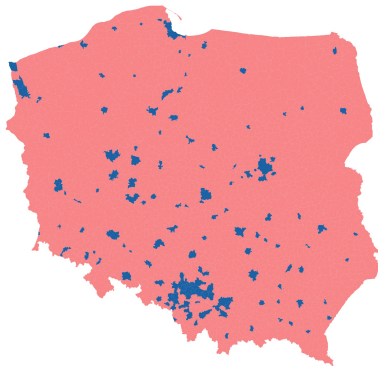

Put the plot in motion

Half of population lives in municipalities in blue

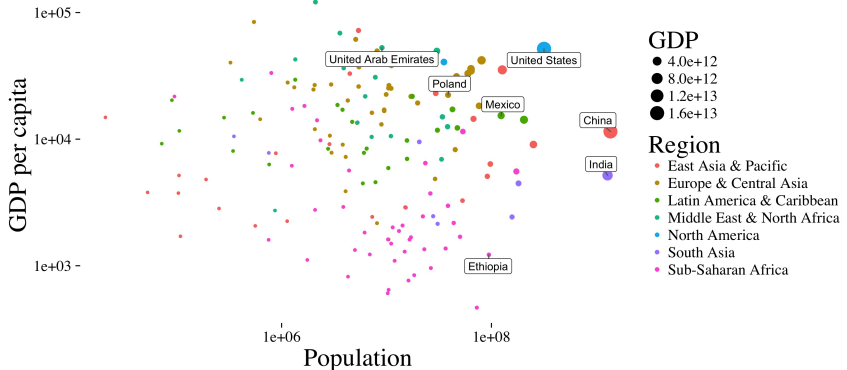

Population > 65

Population < 18

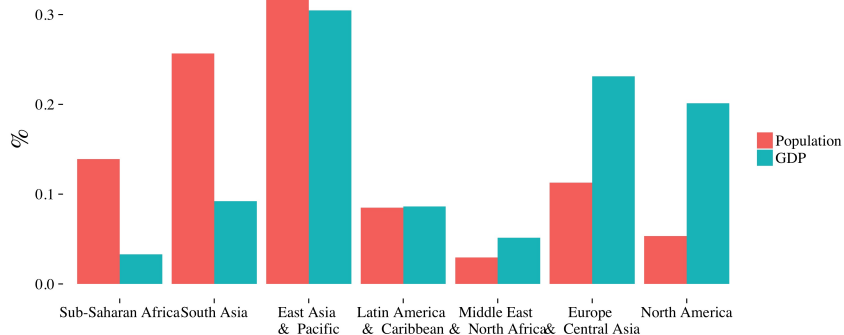

Visualizing world inequalities

Wealth inequalities in 2013

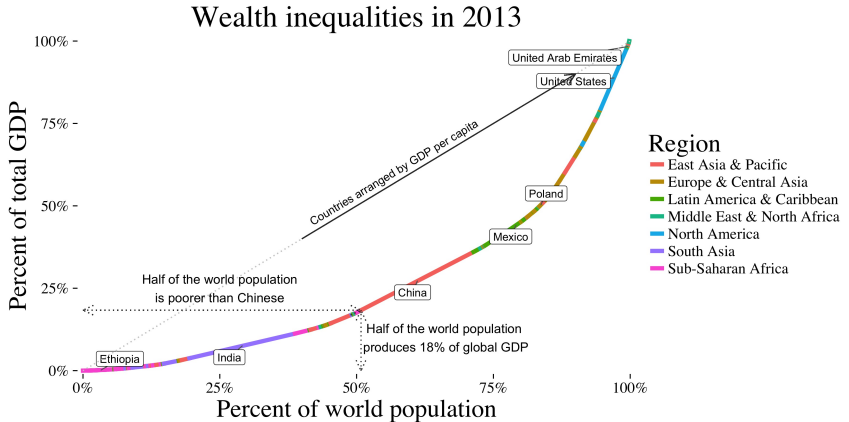

Beyond the barplot

Wealth inequalities in 2013

Good plots (and Ogres) are like onions
